Shaving Policy

Fit & Beautiful Medical Spa requires you, the client, to shave the area being treated prior to your treatment. If you do not arrive with the area shaved prior to your treatment there will be a fee charged for the technician to shave the area for you or you may step into the restroom to shave the area yourself for a smaller fee. This policy ensures you have a more comfortable and timely treatment as well as helping to maintain a timely schedule for clients who may have an appointment after you.

The fees for a technician shaving for you are as follows:

Lip, Chin, Sideburns, Bikini Line, additional small areas	\$5
Lower Face, Neck, Underarms, Abs Strip, Full Bikini	\$15
Shoulders, Full Face, Full Arms, Lower Legs, Full Abs	\$20
Chest, Back, Full Legs, Brazilian, additional large areas	\$35

I have read and agree to Fit & Beautiful Medical Spa's Shaving Policy
